Toddler Dream Holidays Guest House Terms and Conditions

A non refundable deposit of £100 per week, or part week booked, is payable at the time of booking; this will be deducted from guests' accounts on departure.

Please confirm your reservation by telephone before returning your booking slip.

We strongly urge you to protect all reservations with holiday insurance, which you can usually take out through your house insurance provider.

No reduction can be made to your account if you choose to finish your holiday early, or if you cancel your holiday less than 3 weeks before it is due to commence. Cancellations before this incur loss of deposit.
